SUMMERFIELD METROPOLITAN DISTRICT NO. 1 2024 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

In accordance with its Service Plan, Summerfield Metropolitan District No. 1 was formed to manage the administration, operation, maintenance, construction, acquisition and installation of public improvements within the property known as "Summerfield" located in Erie, Colorado. Public improvements include, but are not limited to, storm drainage, water, sewer, utilities, streets, traffic and safety control, and parks and recreation improvements.

The Service Plan, as amended in 2017, permits the District to impose a maximum mill levy on the taxable property within its boundaries as a primary source of revenue for the construction and maintenance of public improvements, repayment of debt and operational costs. The Service Plan also provides a total debt issuance limitation in an aggregate principal amount not to exceed \$100,000,000 for Summerfield Metropolitan District Nos. 1, 2, and 3.

The District has no employees and all operations and administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.
